## “In honor of” donations ...

Throughout the year, there are many opportunities to recognize family members, friends, co-workers and fellow Kiwanians as their families grow, as they receive promotions, as they are recognized for outstanding performance or have other noteworthy milestones and accomplishments.

One simple way to recognize or honor them is to make a donation to the Columbus Kiwanis Foundation in their honor. When you do this, several things happen:

1- The person or persons to be recognized or honored receive written notification that a donation has been made to honor them. They are provided with the name and address of the donor, along with the reason for the gift.

2- You receive a letter from the Foundation for your tax records, as donations to the Columbus Kiwanis Foundation are tax-deductible.

3- Your donation is credited toward your lifetime giving total in the 1916 Society, moving you closer to the next recognition level.

4- The Columbus Kiwanis Foundation grows.

Why not honor someone today? Along with your check, please be sure to include a note with the details so that proper follow-up letters can be sent.

Why do they call it an “ear” of corn? Nobody “nose.”

## Time to ring the bells ...

Some 127 years ago, a Salvation Army captain in San Francisco resolved to provide a free Christmas dinner to the area’s poor by setting up conspicuous pots to collect donations from passersby. That initial endeavor has evolved into one of the most recognizable traditions of the holiday season – the Red Kettle Bell-Ringing Campaign, which is the Army’s largest fund raising effort.

For the past 43 years, it has been an annual tradition in our Club for members to ring bells for the Salvation Army at Christmastime.

This season, we will again be ringing at the Kroger store on Sycamore Street in the Brewery District and at Nationwide Arena before a Blue Jackets game.

The link on our Activity Calendar will take you to a sign-up form where you can type your name, e-mail address and cell phone number next to the shift(s) you want. You will receive a confirming e-mail in advance of your shift, with specific details about this year’s bell-ringing program.

Of course, this effort is not limited to Club members. Please feel free to reach out to family members, friends and co-workers whom you feel would be interested in participating in his annual community project.

## Interclub recognition program ...

Interclubbing, attending the meetings and events of other Kiwanis Clubs, is an important element of successful clubs. In addition to the expanded networking and fellowship opportunities, interclubbing allows for the exchange of ideas and seeing how other clubs approach similar challenges. This year, the Ohio District will be recognizing clubs who make a concerted effort to interclub.

- A **blue** level banner patch will be awarded to any club that interclubs with five clubs within their division and attends one division council meeting.
- A **silver** level banner patch will be awarded to those clubs that interclub with five clubs within their division, interclub for two projects or fundraisers, interclub at two division council meetings and interclub at one district event.
- A **gold** level banner patch will be awarded to any club that inter-clubs with five clubs within their division; interclub at each division council meetings during the year; interclubs at district convention AND Mid Year-Education Day; and interclubs at International convention.

Plan to attend some interclubs this year. Watch the newsletter and Activity Calendar for upcoming opportunities.

## Foundation grant cycles set ...

During this 2018-19 administrative year, Kiwanis Club of Columbus, on behalf of the Columbus Kiwanis Foundation, will place \$130,000 back into our community. Of this amount, \$80,000 will be used for scholarships, hands-on community projects coordinated by our Club committees and standing commitments, such as supporting the Summer Reading Club. The remaining \$50,000 will be made available to the community through our formal grant process.

The formal grant process requires non-profit organizations to submit their written grant applications during one of two cycles. Once received, the applications will be reviewed by our grant committee, evaluated and determined whether it will be presented to the Club Trustees for funding. This process provides a level playing field for the non-profit organizations, in that they are all on the same time-line, they will all be evaluated using the same criteria and they will all be notified of their request's status by a set date. From the Club's perspective, the process allows for a more effective evaluation process, making sure we are awarding grants for the most deserving and most impactful projects.

Here are the schedules for the two grant cycles:

### Cycle 1:

- 12/15/18 – Applications due
- 02/13/19 – Board action taken
- 02/16/19 – Grantees announced

### Cycle 2:

- 05/11/19 – Applications due
- 07/10/19 – Board action taken
- 07/13/19 – Grantees announced

These deadlines, along with the formal grant application, can be found on our Club's website. We encourage you to spread the word about our formal community grant program to all non-profit organizations with which you are involved.

## Ohio Kiwanis license plates ...

You can support the Ohio Kiwanis District's Foundation when you purchase specially designed Ohio Kiwanis license plates. So far, Kiwanis members throughout Ohio have helped raise more than \$10,000 in revenue for your Ohio District Kiwanis Foundation. You can help, too!

Next time you renew your vehicle registration, just specify this custom plate.

For each license plate you order, the Ohio District Foundation receives \$25. Funds from this program help support our Kiwanis Safe and Healthy Kids grant programming.
