## WAYNE MOORE

City of Columbus  
Leadership Development Coach

Wayne Moore is a leadership development coach in Columbus, where he takes a distinctly different tack in the effort to help individuals become more effective and to help organizations improve morale and become more efficient. Wayne advocates being more present in our everyday tasks and more authentic in our relationships (business and personal) in order to lead a more effective, less stressful life and to create success in our businesses.

He teaches classes as diverse as: Parenting Teens; Stress Management; Living in the Here and Now; Public Servants Who Love to Come to Work; What Great Managers Do; The Art of Listening; Assertive Communication; Anger Management; and Why Your Workgroup Needs Healthy Conflict.

Wayne has a degree in psychology from Ohio University in Athens, Ohio. For four years, he was the executive director of the Perry County Drug Abuse Council. Following that, Wayne was the Prevention Coordinator for the Central Ohio Regional Council on Alcoholism.

For the past 22 years, he has been employed by the City of Columbus, where he leads a variety of training and organizational development work for city employees, small business owners in the region and their family members. As such, his job is to facilitate the growth of everyone, from executives to refuse workers. This gives him a broad perspective on the human condition here in Central Ohio. He keeps his training sessions and speaking engagements interesting, using skills he's gleaned from storytellers and comics.

Wayne will be speaking to our Kiwanis Club about skills you can use to be more present and effective as opposed to preoccupied -- which has unfortunately become the 'American Way.'

Wayne resides in Clintonville and has three boys, ages 7, 9 and 18.

## ‘Shred-It’ Day scheduled for fall ...

Twice each year, we team up with WCMH-TV4 to assist with their ‘Shred-It’ Day program. The next one is scheduled for Saturday, September 20.

WCMH-TV4 ‘Shred-It’ Day provides an opportunity for citizens to have a safe and secure method for destroying sensitive documents, such as bank statements, tax returns and credit card information. The Shred-It Company provides 8-10 trucks, to shred the documents on site. Our job, as volunteers, is to help more than 3,000 vehicles as they each pull up to unload their documents.

We will again be providing 15 or more people to fill each of three shifts beginning at 6:45 a.m., 9 a.m. and 11:30 a.m., respectively. The event will be held at the Ohio Expo Center, just off I-71.

No experience is necessary, just a willingness to work hard for a few hours. It is a great opportunity for Scout troops, teenaged children and spouses to experience a Kiwanis service project, so feel free to invite them. The more hands we have, the easier the work becomes.

Contact **Scott Doellinger** ([scottjd714@wowway.com](mailto:scottjd714@wowway.com)) to sign up for your preferred shift(s).

**Q: Why was the chemical engineer great at solving problems?**

**A: She had all of the solutions.**

## Manna Café ...

The **Manna Café** is part of the ministry of Broad Street United Methodist Church. Each week, they serve a hot dinner to approximately 175-200 adults. Once each quarter, Kiwanis Club of Columbus, through a grant from the Columbus Kiwanis Foundation, purchases the food, prepares it and serves it. Our next evening for this project is scheduled for Wednesday, September 24. We will need two shifts of volunteers – one beginning at 4 p.m., to help prepare the food and set up and a second shift beginning at 5 p.m., to finish setting up and then serving the meal. Each shift will work about 2.5 hours.

If you are interested in participating, please contact **Jim Shively** at [jshivel279@earthlink.net](mailto:jshivel279@earthlink.net) and let him know whether you wish to work the early shift, the late shift or both.

## Manser tribute ...

Recently, we were saddened by the loss of long-time member and Past President **George R. Manser**. George was not a typical member. He was a leader, a motivator and a role model for many who joined Kiwanis, as well as the many other organizations he was involved with throughout his career.

George was the inspiration behind the creation of the 1916 Society within our Columbus Kiwanis Foundation, and helped launch the concept with an extremely generous matching gift challenge. Just last year, Kiwanis Club of Columbus created the George R. Manser Humanitarian Award to recognize an outstanding Columbus citizen who models the same civic-minded characteristics possessed by George. This award will be presented for the first time during our centennial year in 2016.

Please join us at Kiwanis on Monday, August 25, as we remember George in a special ceremony presented by **Ron Cook** and **Herb Flint**.

## James Howard: a special need, a special request ...

Many of us remember **James Howard** from Kiwanis Club of Hilliard, who served as Division 10-W Lt. Governor about six years ago (2008-09 Administrative year).

James is about 47 years old and was in a horrific car accident two months ago. He was in ICU at Riverside for an extended period and is now in a long-term rehabilitation facility. He has lost the use of his legs, his kidneys have failed and he is not a transplant candidate. He is fighting for survival, and it is not looking good.

To compound the situation, his wife has Parkinson’s disease. Due to all of the medical expenses from James, she has left the nursing home she was in and is now living with their oldest daughter. Their daughter has a 3-month old baby to care for, as well, and she also looks after her younger sister, who, coincidentally, is in Key Club.

The family is in dire need and we would like to help them in some way. The Hilliard Club has taken the lead on several projects but the financial needs are great.

Beginning this week, we will be ‘passing the proverbial hat,’ asking for donations that will go to the family. You can either throw in some cash or write a check (*checks should be made out to Kiwanis Club of Columbus*) and give it to Club Secretary **Paul Bohlman**. As news become available, we will keep you posted on James’ progress. In the meantime, please keep him in your prayers and let’s join together to help his family through this very difficult time.

## 35<sup>th</sup> annual Columbus Kiwanis College Fair taking shape ...

The 35<sup>th</sup> Annual Columbus Kiwanis College Fair is scheduled for Monday, September 29, at the Aladdin Shrine Temple, located on Stelzer Road near Easton Town Center.

Colleges and universities from more than 25 states will be sending representatives to set up information tables and to interact with area high school students. The first session will run from 9 a.m. to noon, and will accommodate those schools wishing to bring students and guidance counselors via bus. The evening session (6 p.m. to 8 p.m.) will allow parents to attend, help gather information and attend brief seminars on college finances and how to make the most of a campus visit.

We are in need of 12-15 volunteers for the morning program and another 6 to 8 for the evening program. There will be two volunteer shifts in the morning, 7:30 a.m. to 10 a.m., and 10 a.m. to 12:30 p.m. The morning shift will help check in college and university representatives by assisting them with their materials and directing them to their assigned booths. Once this is done, and the students begin arriving, the volunteers will help distribute materials to each student who attends. The second shift and evening shift will also be distributing materials to the students.

If you are interested in volunteering, please contact JP LaFramboise at [laframj1@gmail.com](mailto:laframj1@gmail.com).

**There's always a lot to be thankful for,  
if you take time to look for it.  
For example, I am sitting here thinking how  
nice it is that wrinkles don't hurt.**

### Giant Eagle cards ...

Purchasing Giant Eagle gift cards through Kiwanis is a great way to support the Club, while receiving all of the benefits of shopping at Giant Eagle.

Each time you purchase a Giant Eagle gift card through the Club, the Club receives a 5 percent commission. We keep a supply of \$100 cards on hand, but smaller (or larger) denominations can be special-ordered. Small denomination gift cards make great staff recognition pieces and 'thank you's.' Larger cards can be used for major purchases or routine weekly shopping. Either way, the Club wins and you receive the full spending power of the card's face value, while earning fuel perks.

Be sure to get your Giant Eagle gift card and make it a weekly or monthly routine.

## District Installation Banquet ...

Plans have been finalized for the installation of the 2014-15 Ohio District Officers on Saturday, October 4, at the Doubletree Columbus/Worthington Hotel. The banquet and installation ceremonies will begin at 6:30 p.m., and conclude no later than 9:30 p.m. The guest of honor will be **Diana Keplinger**, Governor-Designate. Diana is a member of the Mt. Gilead and I-Next Kiwanis Clubs. She is a retired educator.

All Kiwanis members are invited to attend. There is a choice of four dinner entrees, all of which will cost \$35 per person. The choices are:

- Petite filet (beef)
- Salmon filet
- Chicken breast
- Portobello tartlet (vegetarian)

Reservations must be in to the District office **NO LATER** than September 25, and must be accompanied with payment.

Please contact Club Secretary **Paul Bohlman** if you are interested in attending and to make your reservation.

**We are now accepting payment of your annual  
Kiwanis membership dues for the 2014/15  
administrative year.**

## Good Neighbors Picnic scheduled ...

The **Good Neighbors Picnic** is a project that rose from the national 'Make A Difference' program, and this year's event is scheduled for Saturday, September 27, at Goodale Park.

The Good Neighbors Picnic brings a variety of resources together for the benefit of the less fortunate in our community. Good Neighbors (*Neighbors Engaged in Giving the Homeless Better Opportunities, Respect, and Strength*) works to build bridges of understanding in our community by reaching out to the homeless annually, and helping them prepare for winter.

Kiwanis Club of Columbus will again be setting up our on-site photo studio to provide individual and family photos. For many, this is the only opportunity they have to receive a quality photo they can share with loved ones or keep for themselves. We will need volunteers to help run the photo printers and to pass out the finished photos. The event runs from 11 a.m. to 4 p.m., and if you are interested in helping, please contact **Jim Shively** at [shivel279@earthlink.net](mailto:shivel279@earthlink.net).

## Corporate Regatta makes big splash ...

The 2014 Corporate Regatta is now in the record books, and it was another very successful event!

The event started off with a mascot race (Crew Cat, Lou Seal and Stinger) demonstrating how it was done. WNBC-TV4 morning newscaster Michaela Hunt joined Kiwanian **Mike Haemmerle** as the day's emcees, introducing the sponsors and announcing the entries in each heat.

The competition was fierce; the championship race was between Atlas Butler Heating & Cooling and Abbington Assisted Living, with the experienced Atlas Butler team eking out a victory.

In the Best-Decorated Yacht competition, Triad Marketing was selected as the winner, with Kiwanian **David Keller** announcing that they would be donating their \$500 winnings to their favorite charity, the Columbus Kiwanis Foundation. To the joy of both the Kiwanis Club and the Foundation, **Mark Swepston**, with Atlas Butler Heating and Cooling, announced their winnings would also go to the Columbus Kiwanis Foundation.

Net revenues from this year's event will exceed \$35,000. A portion of that will go to support the Columbus Metropolitan Library's award-winning Summer Reading Club, impacting more than 80,000 children. The balance will go back into the community via our extensive scholarship and community grant program.

**Our days are happier when  
we give people a bit of our heart  
rather than a piece of our mind.**

**The quickest way for a parent to get a  
child's attention ...  
is to sit down and look comfortable.**
