## **Tim Barhorst** **President, Kiwanis Club of Columbus**

Year-in and year-out, the Kiwanis Club of Columbus successfully passes the mantle of leadership to the next Club President, remaining confident that the collective efforts of the Club will help each new leader reach the lofty goals he or she sets for their administration.

Today, we will be joined by Kiwanis Division 10W Lt. Governor, Kay Oughterson, who will swear in our new slate of officers.

Timothy N. Barhorst, 40 years old, has been a proud member of our Club since 2000, and a Kiwanian since 1993 at his hometown club in Fort Loramie, Ohio. Having a personal belief of serving his community, his industry, and providing for his family Tim strives to balance all three areas.

Tim has served our Club as a Trustee in 2005 and 2006 and has chaired several committees, including the charity auction in 2006 and 2007, bulletin advertisement in 2004 and social in 2005. Tim has also been an active program committee member since joining our Club in 2000, and chaired that committee this past year.

Tim serves his industry as Vice Legislative Chairman for the Ohio Association of Health Underwriters and participating extensively in the recent Health Care Reform debate and implementation.

In 2000, Tim started his own employee benefits and financial planning firm, Business Partners, Inc., which is located in downtown Columbus. Business Partners, Inc specializes in group health insurance, 401k and pension and financial planning for individuals and business owners.

Tim resides in Westerville with fellow Kiwanian and wife Irina and their 2-year old son, Alexeander. They enjoy family, friends, Ohio State football and basketball, golf, and traveling.

Thank you **Stephanie Harris**  
and **Scott Lindsey**  
for greeting us today.

Thank you  
**Irina Barhorst**  
for providing today's invocation.

### President's Corner

Fellow Kiwanians: It is my distinct pleasure to be installed today and to serve as your President for the next year. I have big shoes to fill, as President Charlotte Collister and previous leaders have set the bar extremely high. To start my year, I simply want to tell you my story and how I have arrived to this day of leading our club.

I was born and raised in Fort Loramie, a small Ohio town of 2,500 people in rural Shelby County, located between Lima and Dayton off the I-75 corridor. Growing up in a small town was a great childhood experience that I thoroughly enjoyed. I feel I have been instilled with those "small town values" and I try to apply them every day by treating people with those values in mind.

I am the oldest of four children to the wonderful parents of Samuel and Patricia Barhorst. My father was a good family-man and hard worker, as he was one of five brothers in the family businesses of ready mix, sand and gravel mines, limestone quarries, trucking and building supplies. My mother was a perfect picture of the traditional stay-at-home mom who raised us with love and attention.

Upon graduating high school, I attended The Ohio State University and Wright State University, graduating with a business marketing and finance degree. I moved back to Fort Loramie after graduating and worked as a self-employed financial planner. Primarily, I worked with young parents trying to plan for their children's future college funding needs.

At the age of 23, I joined Kiwanis; becoming the youngest member of the club by 20 years my age. I joined Kiwanis because I thought it to be a great way to get involved in my community and to meet good people. Inevitably, I did meet great people and I am still friends with most of those folks today.

When I relocated back to Columbus, and was attempting to build my financial planning practice, I was consumed by my work and being successful. After a few years of this narrow focus, I moved into my first home and met my new neighbor, Frank Walker. Frank is a legendary Gahanna Kiwanian, who is known for his over-the-top activism with the Kiwanis at all levels.

Frank and I discussed our past Kiwanis activities and he said I would be a "Great Downtown Kiwanian." I had no

idea of what he was speaking, but accepted his offer to be introduced to my club sponsor, Mike Stevenson. As they say, the rest is history.

In conclusion, I am very excited to lead our club the next year and to affect our community in the most positive of ways. It takes an entire club and its membership to achieve this goal and I look forward to working with each of you toward that end. Let's have a year to remember!

Sincerely yours,

*Tim Barhorst*

### Fourth quarter pre-paid luncheons ...

The pre-paid luncheon program provides a \$1 per week discount on your meals. Fourth quarter payments must be received by October 4. The cost for the 12 weeks in this quarter is \$120. Checks should be made out to Kiwanis Club of Columbus and sent or given to Secretary Paul Bohlman.

## Time for a Green Computer!

Today's computers are smaller, faster and have more storage. Because we have many more, they are beginning to have an environmental impact with more toxic materials, non-recyclable parts and greater overall energy use.

Here are some Green Computer Tips:

Select equipment that is Energy Star Rated, for 30 to 65% power savings.

Purchase refurbished equipment or refilled toner cartridges.

Use 'EPEAT' on line to compare and select electronic products based on their environmental attributes.

Buy electronic equipment to last with additional memory, of expandability that you can afford.

Replace only what is needed by adding memory or new format readers to existing equipment.

Purchase combined machines, copier/fax/printer, as they use less power and materials to build.

Plug it all in to a plug strip with surge protection and a switch to turn it all completely off when not using it.

## Indian Wanting Coffee ...

An Indian walks into a cafe with a shotgun in one hand and pulling a male buffalo with the other. He says to the waiter: "Want coffee."

The waiter says, "Sure, Chief. Comin' right up." He gets the Indian a tall mug of coffee. The Indian drinks the coffee down in one gulp, turns and blasts the buffalo with the shotgun, causing parts of the animal to splatter everywhere and then just walks out.

The next morning the Indian returns. He has his shotgun in one hand, pulling another male buffalo with the other. He walks up to the counter and says to the waiter: "Want coffee."

The waiter says, "Whoa, Tonto! We're still cleaning up your mess from yesterday. What was all that about, anyway?"

The Indian smiles and proudly says, "Training for position in United States Congress. Come in, drink coffee, shoot the bull, leave mess for others to clean up, disappear for rest of day."

## Good Neighbor Picnic ...

For the past several years, the Kiwanis Club of Columbus, in conjunction with First Link, has participated in the annual "Good Neighbor Picnic" held at Goodale Park. The event is one of many community service projects held in conjunction with the national "Make-A-Difference" Day.

We will, as we have in the past, set up a small setting to use as a backdrop for photos. Each person, or family will receive a copy of their photo and have the ability to custom design their own souvenir frame.

*These are the faces we serve*

*Make A Difference Day  
October 9th*

Volunteers are needed to help organize the crowd, run the photo printers and oversee the decorating. The event will be held on Saturday, October 9 and run from noon to 4 p.m. We need volunteers in shifts starting at 10 a.m. (set up). Please contact **Jim Shively** ([jshivel279@earthlink.net](mailto:jshivel279@earthlink.net)) for additional details and to sign up for a volunteer shift.

For each shift worked, you will earn an attendance credit and service star credit. This is a great way to get the year off to a good start.

## Committees now forming ...

With the start of the new administrative year comes a group of new committee chairs and the opportunity for you to get involved in the committees of your choice.

To join a committee, simply go to the website, enter into your profile page in the "Members Only" section and check the box next to the committee(s) you would like to join. The information will be relayed to the committee chair (NOTE: there is no "save" button).

## Trustees to meet ...

The first Trustee meeting of the new administrative year will be held at Scioto Country Club on Tuesday, October 12, 2010. The meeting will begin at 5:30 p.m. Following the meeting, members are welcome to stay for dinner and fellowship.

The Trustee meetings are where the official business of the Club is conducted and where Foundation expenditures by committees are approved. All members are welcome to attend Trustee meetings.

This year, Trustee meetings will be held on the second Tuesday of each month. Meeting locations will vary and will be announce prior to each meeting.

## 'Kiwaniis Cares' ...

Whether you shop at Giant Eagle or Kroger, you can help Kiwanis by participating in our 'Kiwaniis Cares' program.

For Giant Eagle shoppers, simply purchase a gift card from Secretary **Paul Bohlman** before you go shopping. The cards are sold in \$100 increments ... enough to hopefully get you through a week. When paying for your groceries, simply use the gift card. The amount of your purchase will be subtracted from the card. We receive \$5 for each \$100 card we sell.

For Kroger shoppers, the process is a bit different. You need to first register your Kroger Plus card. When this card is swiped at check-out, we are credited with points. The points then translate into a quarterly payment from Kroger.

You can register your Kroger Plus card by going on-line to [www.krogercommunityrewards.com](http://www.krogercommunityrewards.com). You should make certain your information is accurate in the Kroger Plus Card Database before registering. This can be checked by calling 1-877-576-7587.
