

EXHIBITOR REGISTRATION

Fifth Annual

The Columbus International 5K

‘Racing to reduce infant mortality’

April 16, 2016

Genoa Park

(303 West Broad Street)

3:30 p.m. to 7 p.m. (race at 5 p.m.)

Join us on the afternoon/evening of April 16, 2016 for a community event designed to educate women and families on a wide array of health, home and family factors related to the devastating reality of infant mortality.

Ohio has one of the highest infant mortality rates in the country – only five states have rates higher than ours.

As part of the 2016 Columbus International 5K, **Kiwanis Club of Columbus** will host a community event where women and families can socialize, have fun and gather valuable information on protecting pre-natal and infant children from premature death. We invite you to join us as an exhibitor to make this both a fun and informative event.

Yes, we would like to be an exhibitor:

Company/Organization: _____

Street Address: _____

City: _____ **ST:** _____ **Zip:** _____

Contact Person: _____
