

Our Support: Help Us Celebrate!

Congratulations on receiving a grant from the Columbus Kiwanis Foundation and the Kiwanis Club of Columbus! Please help us celebrate our partnership by adhering to the requirement that you publicize this grant to your organization and its audiences, both internal and external.

As part of your grant application, you outlined ideas of how you would promote this gift from Kiwanis. (If you forget, please get in touch with our Club Secretary, who can provide a copy of your grant application.)

In addition, here are some ideas to help you celebrate with us:

1. Share the grant in a short article in your organization's newsletter (print and/or email)
2. If you are purchasing a durable good, or goods, with the funds, please affix a sticker or plaque acknowledging Kiwanis Club of Columbus
3. Share the grant on your social media accounts
4. Announce the grant to your staff and those you help

By 30 days from today, please visit this link to fill out a report on how you acknowledged the grant: [<http://columbuskiwanis.org/form-for-grant-recipients/>]

We will be looking forward to sharing your publicity with our own members, and giving you further promotion within our club and in our publications!
