

## Kiwanis Club of Columbus

About Us,

Kiwanis is a global organization of member-volunteers working to change the world, one child and one community at a time. Kiwanis members dedicate more than 6 million volunteer hours and invest more than \$100 million annually in projects that strengthen communities and serve children. We help shelter the homeless, feed the hungry, mentor the disadvantaged and care for the sick. We develop youth as leaders, build playgrounds, raise funds for pediatric research and much more. We believe that helping a child helps the world.

With The Eliminate Project, Kiwanis International and UNICEF have joined forces to eliminate maternal and neonatal tetanus. This deadly disease steals the lives of 60,000 innocent babies and 30,000 mothers each year. The effects of the disease are excruciating — tiny newborns suffer repeated, painful convulsions and extreme sensitivity to light and touch.

To eliminate MNT from the Earth by 2015, 129 million mothers and their future babies must be immunized. This requires vaccines, syringes, safe storage, transportation, thousands of skilled staff and more. It will take \$110 million — and the dedicated work of UNICEF and every member of the Kiwanis family.
