## **CANDIDATES' DAY**

*Meet the Future Leadership of the Kiwanis Club of Columbus*

**I**t's time to reclaim the political spotlight being dominated by Clinton, Obama and McCain! It's time for Kiwanis to showcase our candidates in perhaps the most important political campaign of all ... the election of five individuals who will help lead our Club to continued success. This Monday, the Kiwanis Club of Columbus will feature the pageantry and excitement found on the campaign trail, while being introduced to this year's candidates.

Our Club is governed by a 10-member Board of Trustees elected by the Club members from within the Club membership. Each Trustee is elected to a two-year term. The terms are staggered, so five members are elected each year. This helps provide continuity, while giving new individuals the opportunity to participate in the leadership experience.

Among the five Trustees to be elected is one candidate who has served a term previously. That candidate is typically anointed as the Vice President, with the expectation that he/she will progress through the chairs to the office of Club President.

Each candidate will have his/her name placed in nomination by a fellow Kiwanian who will then expound upon the virtues of the candidate in hopes of garnering your vote. These insightful presentations are always fun, entertaining and informative.

Choosing our leadership is a serious process and we owe a debt of gratitude to Ken Keller, Scott Lindsey, Joe Brunetto, and Rita Edwards, who comprised this year's nominating committee. The group met on a number of occasions to identify the most qualified candidates before approaching each one to determine their willingness to serve. Their efforts have yielded still another fine field of candidates.

Don't miss this fun and informative day. Your participation is an integral part of the process. Elections will be held next week on May 12th.
