Scott Lindsey

2008-09 Club President

"Bringing Service Into Focus" This year, the Kiwanis Club of Columbus will be "Bringing Service Into Focus" under the administration of new Club president **Scott Lindsey**.

Scott is a Columbus native and a graduate of Columbus Alternative High School, where he was the founding president of the school's Key Club. He has been an active member of our Club since joining in 2003, having served as chair of the Attendance and Retention and Scholarship Committees, and having served as a Trustee since 2005. Scott is a member of the 1916 Society and was named a George F. Hixson Fellow in 2008.

He is a graduate of Purdue University, where he obtained a Bachelor of Science degree in Industrial Engineering before returning home to attend The Ohio State University College of Law. Scott is an attorney with Lindsey Law Office, LLC, where his practice focuses on estate planning and taxation. Scott is a member of the Columbus and Ohio State Bar Associations and is a Certified Financial Planner.

Scott lives in Powell with his wife Heather and their two sons, Evan and Grant. Evan is a frequent contributor to Kiwanis service projects such as the book-cleaning project and the Regatta, and Grant started his Kiwanis career by serving as our bib project model! Scott enjoys reading, biking, playing cards and playing the piano, and considers himself a very amateur astronomer.

Come and celebrate the start of a new administrative year with Lt. Gov. James Howard, our new officers and trustees, and other members of our Kiwanis family, as Scott presents his vision to build on the strengths of our Club, reach out for new partnerships and inspire each other throughout the next 12 months.

You're late!!!!

Are you one of the few people who have not yet paid your 2008-09 annual Kiwanis membership dues?

Perhaps it slipped your mind, you misplaced your invoice, your company is still processing it, you thought you had already sent it in, or whatever. If we have not heard from you, you will be hearing from us.

If you know you are in this category, you can avoid an embarrassing phone call by simply paying your dues. Plus you can help a fellow Kiwanian put his or her time to better use serving the community. Thank you for your assistance, your understanding and your continued participation in the world's finest service organization... Kiwanis!

An environmental thought ...

Our water, they say, is the same today
 As it was in a million BC.
 The very same stuff
 In the exact same amount -
 Not a thimbleful off in degree.

Solid to liquid and liquid to gas,
 Condensing all history.
 Here's what I recommend
 Fill your gas and pretend
 It's not recycled dinosaur pee.

## Year-End Recognitions and A Final Comment ...

Dear Fellow Kiwanians,

Legend has it that the name “Kiwanis” comes from an American Indian expression Nunc Kee-wanis, which means “we trade,” or “we share our talents”. This past year has been a perfect example of what sharing our talents and working together as a team can accomplish. It is working together as a team that we achieved what no one person acting alone could ever hope to accomplish.

As I mentioned in my opening comments last October, each year our success grows and each year we accomplish more than the year before. This year was no exception. But we all know that our success builds on the shoulders of those before us. You may also recall that I evoked an old Chinese proverb, “One generation plants the trees, the next generation gets the shade.” I ask that we always be mindful of the sound foundation built through the leadership of each Past Kiwanis President since our founding 1916. Their cumulative efforts prepared the base upon which we were able to build a successful administrative year.

I thank all of you who have helped this past year in our many projects; your involvement was truly appreciated. And for those of you who were not able to participate personally in a project, I thank you for your financial and moral support to make our many projects possible.

From a fund raising standpoint, we raised more money than we ever have; over \$31,000 from the Auction and over \$41,000 from the Regatta. Without your financial support we would not have been able to accomplish all the worthwhile, life-changing projects this year. Your efforts enabled us to put a record \$81,000 back into the central Ohio community, primarily to benefit children and those in need. I truly believe we have packed untold proverbial ‘parachutes’ for many we may never know.

Know that you, my fellow Kiwanians, have made an impact, a very positive impact, on the lives of many with our projects this past year. Give yourselves a big hand. And be thankful you were so fortunate to be able to help, for I believe the good that you do comes back to you sevenfold, and perhaps in ways that you, or future generations, may never know.

Thank you all for allowing me to serve as President of the Kiwanis Club of Columbus; it has been one of the most rewarding experiences of my life. My sincere best wishes for an extraordinary 2008-09 year.

Sincerely,  
**Sam Vogel,**  
Club President 2007-08
