Impacting Lives - "Packing Parachutes" for People we May Never Know

Brendon Burchard, Author "Life's Golden Ticket"

Brendon Burchard is the author of "Life's Golden Ticket" (HarperOne, May 2007) and a highly-acclaimed life coach, leadership speaker, and business consultant. His clients have included Accenture, JC Penney, eBay, Best Buy, Nordstrom, Levi's, Gateway, Walgreens, Federal Mogul, and thousands of entrepreneurs and executives in speeches and seminars across the country. As a dynamic speaker and innovative businessman, he is in constant demand and regularly appears on national television and radio shows. His media appearances have included ABC World News, the CBS-New York Early Show, regional NPR stations, Oprah and Friends, and other popular programs.

Brendon was blessed to receive life's golden ticket — a second chance — ten years ago, after surviving a dramatic car accident in a third-world country. Since then, he has dedicated his life to helping individuals, teams and organizations create and master change. Brendon's books, newsletters, and appearances now inspire more than two million people a month. His signature seminar events, which change thousands of people's lives each year, are "The Life's Golden Ticket Seminar Series" for motivated adults, "The College Success Bootcamp" for emerging student leaders and The Nonprofit & Corporate Partnership Seminar for authors, coaches, consultants, executives and social entrepreneurs hoping to partner with major organizations to change the world.

Brendon's previous works include the best-selling student leadership text in the country, "The Student Leadership Guide" (The University of Montana, 2003), and a popular handbook for Fortune 500 executives called The Leader's Guide to Innovation (Accenture, 2004). As a dedicated volunteer and nonprofit board member, Brendon donates a portion of the proceeds from his speeches and book sales to Kiwanis International, Junior Achievement, and the YMCA. He lives in northern California but still calls Montana, where he grew up, home.

Come and enjoy this fascinating speaker at our Monday meeting on the 15th!

Meet our newest member ...

Kenna Miller grew up in the heart of the scenic Hocking Hills region, which enabled her to find a very open and optimistic view on life via the great outdoor connection with the local nature, scenery, and serenity. After graduating from Logan High School, she obtained a degree in business management from Ohio University.

Her banking career started during college, at a local bank in Lancaster, Ohio. After finding that career growth in a small, local bank was somewhat stagnant, she transitioned to Huntington, where the doors to opportunity were — and still are — wide open. During her seven years at Huntington, she has occupied all of the retail positions at a banking office, ranging from Customer Service Representative to her current role of Banking Office Manager. As a sidebar to normal Huntington activities, Kenna also gives of her time in the community, volunteering at the local YMCA and teaching financial education to the residents.

In her spare time, Kenna focuses on her alternative career and passion — horses. She has had a life-long involvement with horses, starting from her first pony at age 2, to showing draft horses and mules, to showing Western pleasure horses, to her current passion of barrel racing. She has been a past horse show judge, and is currently active in horse training and consulting for equine clients.

When not focused on Huntington and horses, Kenna is out enjoying nature and spending time with friends.

President's Party around the corner ...

This year the President's Party is going to be on Friday, November 2nd, at Scioto Country Club. Many of you will start to receive your invitations for this event in the upcoming week. If you have not attended one of these events in the past, you should really consider attending one of these events. Let's face it: Who better to 'roast' than Ken Keller? He has done a lot of wonderful things this year for our Club and the entertainment that night is going to be one to remember, as are they all. Come join us and experience a good time you will never be able to forget.

How much fun was it?

The Make a Difference Day project was held last weekend at Goodale Park. It ended up being the best Make a Difference Day yet, and all who took part had a great time. This year, we had beautiful weather and because of that, we were able to provide many more portraits for the homeless than in years past. And, we had a great team of Kiwanians running the show. A big 'thank you' is due the following Kiwanians for helping Loralee Buttler on such late notice: Jim Shively, Kathleen Roberts, Mike Edwards, Susan O'Donnell Black, Paul Bohlman, Jack Buttler, Sam Vogel, Rita Edwards and past member JoAnn McHugh. We also extend a tip o' the Kiwanis cap to Demyne's Greenhouse for giving us a nice discount on our scenery items. Loralee hopes to continue with this project. Next year, she plans to include a mailing station, so that those served can mail or e-mail their portrait to love ones, with the postage and Internet access provided by us.

Let's InterClub ...

Faith Mission extends a warm 'thank you' ...

This week the office received a very nice handwritten 'thank you' note from Nancy Fox Spiler with Faith Mission. Her note reads as follows:

"I have seen and met angels wearing the disguise of ordinary people living ordinary lives."
~Tracy Chapman

"Thanks to all for your generosity and support of Faith Missions Resource Center. Your gift helps to provide hope and promise to those in need."
