A great big 'thank you' ...

Jerry Durham and family covered last Sunday's Canteen Heart-to-Heart and Ellwood Lewis has signed his family up to cover the December 23rd Canteen. Now, we are looking for members to volunteer for the fourth Sunday of each month in 2008. Holly Goodstein Stokes is the person you should contact if you want to sign up, holly.goodstein@nationalcity.com.

Office Need ...

Does anybody have an extra vacuum cleaner floating around at their house that is not being used? The office needs a vacuum cleaner and we wanted to ask membership first, before we invest in one.

Club Resources ...

An organization like ours depends on volunteers who are willing to give of their time and talents to help build a better community. In today's busy world, time is perhaps one of the most precious assets we have, and we can ill afford to misuse, abuse or squander it.

At the time of this writing, 60 members have not yet paid their 2007/2008 club membership dues (they were due October 1st.) We are now at a point where we need to divert the efforts of a several key members to make phone calls, write letters, and follow-up with fellow members to collect these dues.

Is this the best use of our Executive Committee and Trustees' valuable time? I think we can all agree it is not! We need our elected leaders focusing on the larger challenges and goals of our club.

If you are one of the 60 members who have not yet paid their dues, we would appreciate you taking a few moments today to complete this simple task. If your company is processing them, please let us know so we can avoid making unnecessary phone calls. If for some reason you need another invoice, please let us know. The timely collection of dues is vital to the running of our club. We appreciate your support in helping us bring this annual task to a successful and rapid close.
